

in.tuio:

```
graph LR; A[in.tuio:] --> B[viz:]; A --> C[dump:];
```

A flow diagram with three rectangular boxes. The first box on the left is labeled 'in.tuio:'. A horizontal line extends from its right side, which then splits into two vertical lines. Each vertical line ends with an arrow pointing to a box on the right. The top box is labeled 'viz:' and the bottom box is labeled 'dump:'.
